

# SWISS TURNER'S Spring Exhibition '2017!

The Stars are beginning to shine day and night as preparations for **Swiss Turner's 106th annual Spring Exhibition** Friday, May 19th and Saturday, May 20th begin to get underway! The Spring Exhibition is a fun-filled and exciting performance with your child in the starring role. It is a wonderful opportunity for your child to show off some of their hard work to you, as well as, to friends and family. There will also be selected performances by our fabulous girls and boys team members.

During the latter part of this session your child's teacher will be creating a routine utilizing some of the skills they are learning to be performed by your child's class at our annual Spring Exhibition. All practices for this event are conducted during regular class times. Participation in the Spring Exhibition is not mandatory; however, please accept our invitation to have your child be a part of a treasured tradition. In order for your child to participate, you will need to place an order for one of the following by your child's next class.
